Mr. Johnson,

Thank you for taking the time to speak with me today.

Following up on our discussion, I am amenable to the 30 business day extension, provided that the EPA will furnish all emails and correspondence by then as well. More specifically, Kate Rao of USEPA Region 9 had email and letter correspondence with the property owner, Richard Kozuma. I do not know if any other representatives of the EPA communicated with the property owner, which was part of the purpose of the FOIA request.

Please let me know if you have any other questions/concerns. I can be reached at (808) 784-3265.

Thanks,
Dorothy
